

Braestone B&B

Braestone B&B is located 20 minutes north of Masterton on State Highway 2. It is about 100 metres north of the Pukaha Mt Bruce National Wildlife Centre (on the same side of the road). There is one double room and one twin room available in my warm, cosy, 3 bedroom home.

Braestone Farm is a 246 hectare sheep, beef and deer property running 500 ewes, 30 cows and 50 hinds. Visitors to Braestone can have a tour of the property by motorbike or are welcome to go walking on this very scenic property which has roughly 100 hectares of native NZ bush.
